ABOUT US

PT Sinar Alam Artha Prima is Best Briquette Supplier From Indonesia as generations of experience in developing briquette based products. Creating a sustainable synergy that integrates business with the environment, we value social stability within our communities. Embolden with the spirit of innovation, we dedicate research into the creation of products that are essential to our partners and consumers.

We implement advanced supply chain programs to maximize efficiency and ensure faster and better customer service before and after sales, reduce delivery times, and decentralize distribution to better serve overseas customers
